# Our History

Founded in the 1919–1920 season, Virginia Water FC celebrated its centenary in 2020, marking 100 years of grassroots football. In its early days, the club received royal support from King Edward VIII and King George VI, who gifted the club its current ground—a legacy that continues to inspire.

Starting in the Woking & District League, the club progressed through the Surrey Intermediate and Spartan Leagues. A milestone came in 1969 when Sir Stanley Rouse, CBE, then FIFA President, opened the clubhouse at The Timbers, named in honour of founder Harry Timbers. Promotion to the Combined Counties League followed in 1970, along with qualification for the FA Vase. The 1980s brought challenges, including relegation, but the club bounced back in 1990/91, winning the Surrey Intermediate Cup and earning promotion. The mid-90s were a golden era, with three consecutive Surrey County Premier Cup wins and a League and League Cup Treble in 1997.

After stints in various Surrey leagues, the club joined the Surrey Elite League in 2010. Despite cup success, promotion remained elusive until the arrival of Ceri Jones in 2015–16, who guided the team to a fourth-place finish. Following Richard Banks being appointed as Head Coach together they led the club to back-to-back promotions into the Hellenic League Division One and then the Premier Division, capped by a cup double in 2016–17. Following consolidation in the Hellenic Premier, the club moved to the Combined Counties Premier League (North) due to league restructuring. In 2021–22, Ceri Jones became Director of Football, appointing Adam and Jake Bessent. Under their leadership, the club reached the Senior County Cup Final and achieved its highest-ever league finish of 7th place.

The 2023–24 season saw Adam Sams take over as First Team Manager, assisted by Ben Warren, leading the club to another 7th place finish and a League Cup Final appearance. In 2024–25, the team entered a ground share at Slough Town, finishing 9th and reaching the FA Cup First Qualifying Round, narrowly losing to Horsham FC.

At the end of July, Adam Sams stepped down, and Dan Bailey was promoted to Player Manager, supported by Ben Warren, Chris Ellis, and Dave Atkins. On 21 October, Dan Bailey and Chris Ellis stepped down from their roles. The club is now excited to welcome Paul McCarthy and Ryan Parsons as the new management team, supported by Dave Atkins and Ben Warren. Paul brings a wealth of non-league experience, having managed Ashford Town and worked with Chertsey Town, and is known for his strong leadership and success.

Off the pitch, Virginia Water FC continues to thrive. Plans are underway for a new ground development back in Virginia Water. The Youth Section is booming, with 27 teams (20 boys and 7 girls) and over 300 players. On Saturdays, the club runs three joiner classes—Wildcats, Squads, and Football Fanatics—welcoming 50 new players to begin their football journey.

## Ashford Town (Middx) Football Club | History of the Club

For many years, it was assumed that Ashford Town Football Club was formed in 1964. However, subsequent research indicated the club was formed in 1958 as Ashford Albion and first competed in the Hounslow & District League. Albion won two consecutive promotions to reach the Premier Division of the Hounslow League and were still competing at this level when the club changed its name to Ashford Town in 1964. It was at this time that the club adopted its distinctive Tangerine & White colours. The club endured a difficult first campaign as the Town club and

withdrew from the Premier Division, assuming the Reserve Team's place in Division Two. Having rebuilt the club with a very young team, Ashford Town rapidly advanced back through the divisions of the Hounslow & District League, absorbing Staines Youth Club FC. on the way. Several individuals from that era have remained with the Club and now form the backbone of the Committee. The Club was elected to the Surrey Intermediate League (Western) in 1967 and promoted at the end of their first season. The Ash Trees were League Cup finalists in 1970-71 and League runners-up in 1972-73. In 1974-75, Ashford enjoyed their best season under the managership of ex-Fulham player Frank Reid, winning the League by three points from perennial contenders Merrow. Although the championship eluded the Club in following seasons, it usually finished in the top four and prior to season 1982-83 an invitation was extended by Surrey County FA to become founder members of the Surrey County Premier League. The invitation was readily accepted and Ashford played their first match in the new league on 4 September 1982, drawing 0-0 away to Farleigh Rovers. Almost from its foundation, the Club had aspirations to acquire its own ground and after one or two disappointments, this was achieved in August 1985, when a long lease was signed with Spelthorne Borough Council, enabling the Club to move to its present home at Short Lane, Stanwell. From what was nothing more than a field, the facilities were quickly developed, with the first match at Short Lane taking place in February 1986, following two postponements for snow.

The Club now possesses a modern clubhouse and bar, kitchen facilities and boardroom. Floodlights were erected in September 1995, whilst the pitch is railed all round and partly walled, with standing covered accommodation, plus a purpose built 150-seater stand, built in 1998. An additional 100 seats were installed on the opposite side of the ground to this stand in 2006, after the club won promotion to the Isthmian League Premier Division. For both geographical and historical reasons, Ashford affiliate to both Middlesex and Surrey FAs and in 1989-90, their last season as an Intermediate Club, they reached the final of both Counties' Premier Cup competitions, beating Farnham Town in the Surrey version but losing to Willesden Hawkeye in the Middlesex final. Runners-up spot in the League was also secured and with it the opportunity to enter senior football, as members of the Combined Counties League, senior status having been granted in May 1990. It was at this point that the club changed its name to Ashford Town (Middlesex) FC, to avoid confusion with the Kent club of the same name. During its ten year membership of the Combined Counties League, the Club never finished below sixth place, and after finishing 3rd and 2nd in seasons 1992-93 and 93-94, it went on to win the League Championship for four successive seasons. It was a relative disappointment to only come 4th in 1998-99, even though the Club won the League Cup but a 5th championship in just six seasons was secured in 99-00, along with the Middlesex Charity Cup, the first ever senior county cup honour. With the ground up to the required standard, Ashford took their place in the Isthmian League for season 2000-01 and by finishing in third place, secured promotion to Division Two at the first attempt. The first season in Division Two did not see the Club making sufficient progress and after a series of indifferent results, long serving manager Dave Kent left the Club on 28 March 2002. His replacement was Nathan Wharf, a long-serving former player, who stepped up from Reserve Team management. Further major improvements were made to the ground to enable the Club to be granted a B-grade and to take its place in the newly regionalised Division One of the Isthmian League. A poor start saw the Club in the bottom echelons of the table but a number of new signings saw a significant improvement and a 17th place finish, which was an excellent performance after winning just

one of the opening 16 league matches. Further progress was made in 2003-04 as the Club finished 12th in Division 1 South. In the close season prior to 2004-05, the pitch was completely relaid to include both irrigation and drainage systems, at a cost of around £50,000, mostly financed by the Football Stadia Improvement Fund. The Club embarked upon new adventures in season 2004-05 in the Southern League for the first time, having been transferred over as a result of a restructure of the National League System. The Fourth Qualifying Round of the FA Cup was reached for the first time and Mark Butler, renowned goal scorer in his day with Aldershot Town, Staines Town and others was promoted from Assistant Manager to Manager following the resignation of Nathan Wharf in December 2004. The play-offs were reached but resulted in a narrow defeat at Evesham United after extra time. In 2005-06, Ashford went one better, finishing second in Division One West of the Southern League, to secure promotion to Step 3. This brought about a return to the Isthmian League for season 2006-07 and saw Ashford competing at their highest ever level. The season brought consolidation of the new status with the added bonus of reaching and winning the Westview (League) Cup Final when Ashford triumphed 4-1 over Dover Athletic at Bromley. The Reserves also lifted a trophy, securing the Middlesex Premier Cup. Ashford built on this success, rallying from the foot of the table in November 2007 to narrowly miss a place in the promotion play-offs at the end of the 2007-08 season, a campaign which saw all of the club's senior sides challenge for honours. The senior side reached the Final of the Southern Combination Cup, the Reserves reached the Finals of both the Middlesex Premier and Surrey Premier Cups, while the Under-18 squad, led by club stalwart Mick Snowden were champions of the Southern Youth League. The 2008-09 season saw Ashford begin the campaign in electrifying form, winning their opening six matches to top the table. Mark Butler's side followed this up with a fantastic FA Cup run which saw them come agonisingly close to eliminating Forest Green Rovers in the Fourth Qualifying Round at Short Lane. Rovers won the replay and went on to run Derby County close in the Third Round. Ashford endured a difficult winter, which saw them flirt with relegation, before a late resurgence saw the side safely into mid-table. The cup competitions added much adventure to the season, as Ashford followed up their exploits in the FA Cup with runs to the semi-finals of both the Middlesex Senior and Isthmian League Cups and end their campaign by defeating Conference Premier outfit Woking 3-2 at Metropolitan Police to win the Surrey Senior Cup. The 2009-10 season saw Ashford make a reasonable start to the campaign, but the Ash Trees were shocked when manager Mark Butler tendered his resignation on Friday 23rd October, in order to take up the Manager's role at Margate, who were struggling at the foot of the table. Ashford appointed former Leicester City and Bradford City midfielder Jamie Lawrence as his replacement, and the Jamaican international immediately led his new charges on a twelve-match unbeaten run.

However, issues off the pitch were causing problems for the club and a number of players, including leading goalscorer Byron Harrison left for Carshalton Athletic, where Mark Butler had accepted a coaching role after leaving Margate, where he had been in charge for just three months. Ashford found scoring a problem after Harrison left and a dreadful run of form saw them go from the fringe of the play-off zone to battling relegation. Ashford went into their final match knowing a win would almost guarantee survival, while a draw would see them finish fourth from bottom – technically a relegation place, but certain to receive a reprieve owing to the demise of various other clubs. Sadly, a heavy defeat for Ashford, coupled with wins for Carshalton and Margate saw the latter two clubs survive – Margate receiving the reprieve for finishing fourth from bottom. During the summer of 2010, the club were initially placed in the Central Division of the Southern League but were then offered the chance to remain at Step Three of the non-league pyramid. However, as this offer was as a direct replacement for defunct Southern League side Merthyr Tydfil, the decision was made that the vast increase in travelling would be too great a burden for the club and the club elected to remain in the Central Division. During this time, Bob Parker stepped down from his role as Chairman after twenty-eight years in the role. The club's home ground was renamed the Robert Parker Stadium in honour of Bob, who remains at the club as President. The club entered a new era in the Central Division of the Southern League with Jamie Lawrence at the helm and with a mixture of established local players and new faces but the season was a challenging one. The club played some sparkling football at times and enjoyed an exciting run in the FA Trophy, reaching the Last 32 in the competition before losing at home to Dartford. However, League form was patchy and the club finished 16th. One bright spark was the club winning the Southern Combination Cup, defeating Hanworth Villa 1-0 in the Final. Jamie Lawrence resigned as Manager in June 2011 and the

club immediately appointed his assistant, Paul Burgess, to take the helm after more than 21 years at the club, including 683 First Team appearances.

Despite having little time to do it and few resources at his disposal, “Burgo” assembled a young and exciting team. Although any hopes of a tilt at the promotion play-offs were dashed by a dreadful run where the club failed to win at home for four months, Ashford finished the season strongly, winning two Cup Finals in 48 hours. In the Middlesex Charity Cup Final, the Ash Trees were 3-0 down to Northwood after 48 minutes before substitute Kofi Lockhart-Adams scored four times to put his team ahead. The game finished 4-4, with Ashford winning the penalty shoot-out 4-2. Two days later, Ashford defeated Badshot Lea 3-1 to add the Aldershot Senior Cup to the cabinet, aided by a fine performance from Paul McCarthy, who had saved two penalties in the first Final. A memorable season was capped by the club being named winners of the Southern League Fair Play Award. The 2012-13 campaign saw Ashford reach the Final of the Middlesex Senior Cup against near-neighbours Staines Town. However, Ashford were unable to claim the trophy, eventually falling to a 2-0 defeat. At the end of that season, assistant manager Steve Battams left the club for work reasons. Youth Team Manager Ben Murray, who had been coaching at Ashford since his teens and won an FA Community Award, was promoted into the senior management team. An awful start to the 2013-14 season saw the Ash Trees cut adrift at the foot of the Southern League Central Division and Paul Burgess was relieved of his duties after an 8-1 defeat at Dunstable Town. Ben Murray was appointed Manager and although results did not improve initially, performances and discipline did. A rally during the final months of the campaign offered hope of a remarkable ‘great escape’, although relegation was confirmed at North Greenford United. As a result, Ashford returned to the Combined Counties League. The Ash Trees were able to renew a number of old friendships and friendly rivalries and the greater number of local matches rekindled some enthusiasm that had been lost towards the end of Ashford’s time in the Southern League. The Ash Trees first campaign back in the competition saw Ashford finish third, while their second saw Town claim promotion. The club’s return to Step 4 was earned after Ashford finished second in the League, thanks to a remarkable end-of-season run which saw the Ash Trees finish the season with 96 points. This was 10 points behind the Champions, Hartley Wintney, but as ‘The Row’ did not then have the requisite facilities to play at Step 4, they could not go up. They helped Ashford to do so by defeating Camberley Town in their final match to ensure that Ashford claimed the runners-up spot. Ashford’s reward was a third brief spell in the Southern League.

A good start to the 2016-17 season allayed any fears that a return to the Central Division would see a repeat of the club’s previous struggles, while a genuine highlight of the campaign was a third triumph in the Middlesex Charity Cup. The Final saw Ashford defeat Wealdstone of the National League to claim the magnificent trophy. For 2017-18, what had been the Central Division of the Southern League became the East Division. Awful weather made for a difficult season for all clubs and contributed to Ashford’s campaign petering out into a mid-table finish. A new reorganisation of the National League System sees the club move back into the Isthmian League as members of the South Central Division for 2018-19. The 2018-19 season was another mid table finish with us also through to the Final of the Middlesex Charity Cup although just losing out to Uxbridge. Ben Murray then decided to stand down after his 6 year tenure as first team manager. The board and team were grateful for the results and hard work he had put in over the years. Up Stepped Russell Canderton to take the reins (having played nearly 700 games for the club). The 2019-2020 season is the season that never was. We got part way through the season to then be instructed to go into lockdown due to the Corona Virus Pandemic and the FA decided to expunge the whole season. 2020-21 The FA decided to curtail this season as well (however still deciding to do the full restructure of the FA pyramid). 2021-22 saw us stay in the Isthmian League (South Central Division) with one of the shortest distances to travel throughout the season that we have seen for some years. Going through 3 managers this season it was particularly difficult but we managed to Finish mid table after a slow start. For 2022-23 our previous goal keeper Paul McCarthy took the helm after seeing us safely through the latter part of the previous season. During the offseason many changes were made around the club, notably in bringing back former manager Luke Tuffs for the 2023-24 season. Finishing outside of the relegation places Luke and the club are looking to push on for the new season ahead.

# From the Dugout

Good afternoon, everyone. Welcome back to Arbour Park for this home game against Ashford Town. We wish their club officials, management team and players a warm welcome.

I hope you all had a great Christmas with family and friends.

Today will be one of toughest tests against a team, that at the start of the season, were expected to be up there. Friendships will be put aside, as we look to carry on this brilliant run that we're on.

I'm sure if we apply ourselves and play our game, then it will be another good game to be involved in.

As always, enjoy the game and I'll always be available in the bar after if anyone would like a chat.

# Where are they now?

We catch up with some Waters' Alumni and ask them about their time at the club, and what they are up to now

**Name:** Alan Para

**Position:** Goalkeeper, left back, right back, left mid and right mid

**Era(s) played at VW:** Played: 2003- 2008,

**Manager/Committee member:** 2008 - 2015

👉 In a nutshell, can you give a brief overview of your time at the club?

I joined the club back in 2003, bringing Thorpe Green FC together with Virginia Water FC when both teams were short on players.

I spent years playing in the reserves before two ACL surgeries changed the game for me.

Instead of stepping away, I stepped up - joined the committee, managed the reserves alongside Matt Edwards, and worked hard to secure sponsorships from amazing partners like BMW and Papa Johns, plus many more.

👉 Who was your manager(s) at the club when you played?

Richard Smyth, Russell Croom, Mick Smith, Gareth Morgan, Richard Goffe.

👉 Did you win anything here?

Won the Reserve League, The Surrey County Cup, A promotion in Surrey Elite and the Reserves League Cup.

👉 Who was your favourite/best teammate?

I've been very fortunate to make friends during my time at the club - and still keep in touch with many of them. One particular bad influence I still see most weekends is Luke Hearn! 😂

⚽ Did you score any memorable goals?  
Nothing memorable unfortunately.

⚽ Do you keep up to date with what Waters are doing nowadays?  
I keep an eye on the results.

⚽ Are you still involved in football in some capacity?  
Occasionally do one to one coaching, but not much else.

⚽ What was the standout memory for you during your time at Waters?  
Winning the Surrey County Cup and every season Dave Atkins winning the “wooden spoon” trophy! And the Alan Para racism trophy. Yes, the same Dave Atkins that is currently first team coach. (No the racism trophy wasn’t a real thing!)

⚽ If you could go back and change one thing when you played here, what would it be?  
The comradery of the players I would never change and to this day I miss the banter and laughter we had there.
