Dear Neighbours

I am writing to invite you to an Open Evening to showcase the plans for an exciting new development of affordable housing and a state-of-the-art football facility for Virginia Water FC. The link to the planning application is here: [Relocation of Virginia Water FC RU.24/0150 \(runnymede.gov.uk\)](#)

As a valued member of our local community, we believe it is essential to keep you informed and involved in the projects that shape the area we all call home. The proposed development aims to address two pressing needs: providing affordable housing options for local residents and creating a modern, sustainable football facility for Virginia Water FC.

The Open Evening will be held on Wednesday 20th March at 7.30pm at our clubhouse in Crown Road where you will have the opportunity to view the architectural plans and learn more about the proposed development. Our team, along with representatives from the architectural firm and local authorities, will be available to answer any questions you may have and provide detailed insights into the project.

The new development will not only enhance the quality of life for local residents but also contribute significantly to the growth and development of Virginia Water FC. The football facility will serve as a hub for training, matches, and community events, fostering a sense of unity and providing recreational opportunities for individuals of all ages and abilities.

We understand that your input and feedback are crucial to the success of this project. Your valuable insights will help us shape the development to best meet the needs of our community. We encourage you to attend the Open Evening and share your thoughts, suggestions, and concerns.

To confirm your attendance or if you have any questions regarding the Open Evening or the proposed development, please do not hesitate to contact me via email at chairman@vwfc.co.uk

We look forward to welcoming you to the Open Evening and discussing this exciting opportunity for our community.

Thank you for your support, and we hope to see you there

Best regards

Dave McBride
